

SHURE WARRANTY POLICY

All products manufactured by Shure Incorporated feature a limited two-year warranty. This two-year warranty is specific to the date of purchase as shown on your purchase receipt.

While under a valid warranty period, defective products (purchased domestically) may be returned to Shure's Service Department without prior authorization for service and repair, free of charge. Out-of-warranty items may be returned for service and repair for a flat fee. Shure does reserve the right to charge an additional fee for products with extensive physical damage; however, we will not proceed with service without your authorization.
