

WS8540

Heavy-Duty T-Stand

WORKSTATIONS

FEATURES AND BENEFITS

This rugged and stable stand is height, width and depth adjustable, and is perfect for multi-function use! Portable and heavy-duty, the WS8540 has everything you need for home recording, project studio work or gigging out. Entire stand folds to a compact "T-shape" for easy storage and transport.

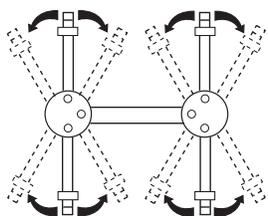

Four adjustable rubber rest pads protect your equipment and hold it in place.

Eight pre-set height adjustments with easy line-it-up positions.

Non-slip rubber end caps.

Innovative design allows for maximum flexibility and support, yet also folds down into one compact unit!

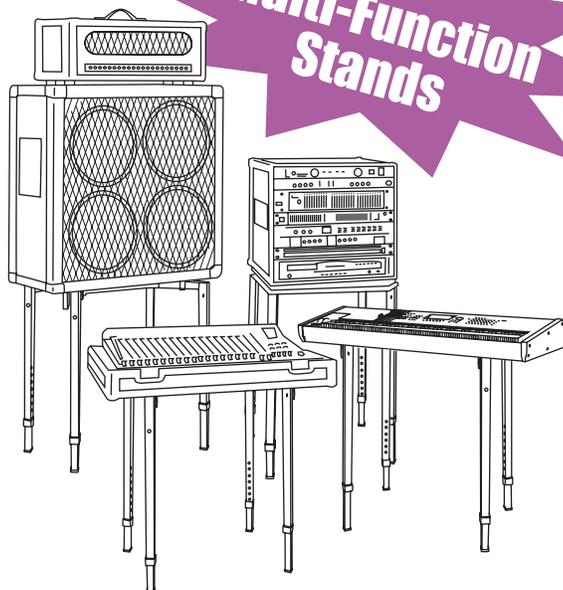

Folds into a compact T-shape for storage and travel.

Unique spider frame design adjusts the width and depth to allow for max support.

**Multi-Function
Stands**

One stand is all you need for ALL of your home recording and studio project needs!
