

SMS6000-P

Near-Field Studio Monitor Stand

SPEAKER STANDS & ACCESSORIES

FEATURES AND BENEFITS

This stand is designed with home and project recording studios in mind. The height adjusts for listening sitting or standing and will lock in place with a security pin. Three removable leveling spikes on the bottom of the base keep this stand stable on any carpeted surface. Entire stand breaks down into three pieces for easy storage and travel.

STRENGTH and SUPPORT for your Equipment!

The clutch with locking security pin on this stand make height adjustments quick and easy. These features also ensure that the stand and your equipment are safe and secure.
